

Denplan Essentials

What is Denplan Essentials?

Keeping your teeth healthy starts with great prevention. A Denplan Essentials payment plan makes it easy to stay on top of your dental health with regular visits to your dentist. It's a simple, affordable way to spread the cost of your check-ups and hygiene appointments through manageable monthly payments, per person.

Denplan Essentials at Spicer Road Dental Practice covers:

- Six monthly examinations with your Dentist
- Routine x-rays as required
- Preventive dental advice
- 10% discount on restorative treatments

Why choose Denplan Essentials?

- Encourages regular dental visits to maintain good oral health
- Helps you budget for routine dental care with manageable monthly payments
- Easy to join. Simply ask our friendly reception team for details
- Simple to set up with no initial patient assessment required

What's not included with Denplan Essentials?

- Restorative dental treatments (such as fillings, crowns, bridges or dentures), laboratory fees and prescriptions
- Any treatments your dentist has excluded from your plan contract
- Referral to a specialist, or specialist treatment
- Orthodontics, implants and cosmetic treatment
- Sedation fees
- Treatment carried out elsewhere at another practice

Please note: Routine dental treatment is always at the discretion of your dentist, and your Denplan contract is held with your dentist, not Denplan.
