

Denplan dental plans to suit your needs

Taking care of your teeth shouldn't be complicated, or costly. With Denplan, you can spread the cost of your dental care into manageable monthly payments per person, giving you peace of mind and a healthier smile all year round.

Every smile is different, and so are your dental needs. That's why your dentist will recommend a Denplan payment plan that's tailored just for you. Whether that's for regular check-ups and hygiene appointments, or more comprehensive care.

Why choose Denplan?

- **Affordable monthly payments per person**
- **Preventive focus**, encouraging regular visits for better long-term oral health
- **Trusted nationwide**. Denplan is the UK's leading dental payment plan provider, working with over 4,000 dental clinics and caring for more than 1.5 million patients
- **Expert oral health support**. Access the very best dental knowledge and advice
- **Peace of mind** knowing your oral health is taken care of year-round

With Denplan, you can enjoy the confidence that comes with consistent, high-quality dental care, without the financial surprises.

How does a Denplan payment plan work?

- Your dentist will assess your oral health and will recommend the best plan for you, then get you signed up
- As soon as you receive your welcome pack, you can start enjoying the benefits which may include regular check-ups, hygiene visits, and x-rays
- You can relax knowing your dental health is in good hands

If you're joining Denplan Essentials your contract can begin straight away. If you are joining as a Denplan Care patient, any outstanding treatment will need to be completed first.

Optional Denplan Dental Emergency and Injury Cover

In addition to your Denplan dental payment plan you can take out Denplan Dental Emergency & Injury cover provided by Simplyhealth Access for £0.60 per person, per month.

What is this type of insurance?

This policy gives you cover towards worldwide dental emergencies and dental injuries up to individual and annual limits.
